Medical insurance for the life of your pet.

NEED MORE TIME?

There's a tool for that.

Spending too much time filling out insurance paperwork or having stressful discussions with clients about financial options and invoices? Trupanion has a solution for you!

Our easy-to-use vet portal is designed to support you, your hospital team, and your clients with:

- **Fewer cost of care conversations.** Trupanion clients can more easily say “yes” to the best treatment option. You won’t have to play financial advisor anymore, and clients can focus on their pet’s care, not cost.
- **Direct payments to your hospital.** When a claim is approved, Trupanion can pay your hospital directly at checkout, leaving the client with just their portion of the bill. That’s right, no more reimbursement!
- **Paperwork made easy.** Claims can be completed and filed electronically in minutes, so you spend less time filling out paperwork.
