

CREATED BY VETERINARY PROFESSIONALS,
FOR VETERINARY PROFESSIONALS.

RACE® APPROVED CONTINUING EDUCATION

You have the power to make real change.

Introducing Colleague Consult, a digital library of valuable resources and support addressing issues facing veterinary professionals in today's world. This free, expert-led resource created by Trupanion, tackles a variety of topics including navigating challenging situations in hospitals, mental health and wellbeing, and inspiring stories.

**How to Make a
Difference Without
Being the Boss**

**Beyond Fatigue:
Wellbeing for the
Long Haul**

**Navigating Difficult
Client and Colleague
Interactions**

About Colleague Consult Courses

All courses were created to be valuable for all veterinary hospital team members.

Need CE? The courses are available On Demand and AAVSB RACE® approved for both veterinarians and veterinary technicians in the Non-Medical program category.
